Remote Sporting Schools

Program parameters

The parameters describe the required characteristics of the Remote Sporting Schools activities.

Delivery period

Remote Sporting Schools activities must occur before, during or after school, across Terms 3-4, and inclusive of weekends and Term 3 school holidays, in 2024.

Delivery

- Schools must deliver a minimum of one Remote Sporting Schools activity.
- Schools can pool their grants together to run multi-school programs with one or more deliverer.
- Activities must be free to participants.
- Activities must be complementary to existing sport and physical education curriculum.
- Schools must ensure active supervision is provided in addition to the deliverer.

Bookings

- A list of sport providers is available on the Remote Sporting Schools [webpage](#).
- Based on community need, consideration will be given to providers not on the list.
- Contact your local or regional Sport and Recreation officer for more information.

Reporting

We will phone you after the program to ask you what you liked and didn't like about the program, and how we could make the program better.

Schools are required to complete an acquittal including evidence of expenditure.
